(a) An annual assessment, which shall be adjusted as needed and shall be adequate for the continued operation, maintenance and repair of Areas of Common Responsibility; and for the Association's performance of its other functions and responsibilities, including real estate taxes on Areas of Common Responsibility, liability and property insurance, utilities, legal and accounting fees and other fees and expenses necessary to accomplish the Association's purposes; and

(b) Special assessments for improvements or other capital expenditures, for emergency, operating, maintenance or repair costs, and for other costs and expenses not anticipated in determining the applicable annual assessment. Each assessment shall be in the same amount for each such Lot or Living Unit. Each Lot or Living Unit of an Owner shall be subject to a lien in favor of the Association securing any and all unpaid annual and special assessments, as hereinafter provided. All annual and special assessments, together with interest as hereinafter provided, shall be a charge upon such Lot or Living Unit and if not paid within thirty (30) days after their due date, the Association shall have a lien upon the Lot or Living Unit for which such assessment has not been paid. Each such assessment, together with such interest thereon and cost of collection thereof as hereinafter provided, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due.

SECTION 2. Annual Assessments; Initial Payment to Association.

The annual assessment shall be levied annually by the Board in such amounts as in their discretion shall be reasonably necessary to meet expenses anticipated during the ensuing year and to accumulate reasonable reserves for anticipated future operating or capital expenditures. The annual assessment shall be due and payable by February 1 of each year, with the first annual assessment being due and payable by at the time title to any Lot or Living Unit is transferred to any Member, and prorated on a daily basis. At the annual meeting of the Members, the amount of the annual assessment as levied by the Board may be increased or decreased by the affirmative vote of Members entitled to exercise a majority of the voting power of the Association. The initial annual assessment shall be Two Hundred Fifty Dollars (\$250.00) per Lot or Living Unit. Assessments are

due and payable regardless of whether or not a Living Unit has been constructed on a Lot. The Developer has no obligation to pay any assessment upon any Lot owned by Developer.

SECTION 3. Special Assessments.

Special assessments may be levied by the Association from time to time at a meeting of the Members by the affirmative vote of Members entitled to exercise a majority of the voting power of the Association and, if there be more than one class of membership, then by the affirmative vote of Members entitled to exercise a majority of the voting power of each class of membership, provided that written notice shall be given to each Member at least thirty (30) days in advance of the date of such meeting stating that a special assessment will be considered at and discussed at such meeting. Special assessments may, if so stated in the resolution authorizing such assessment, be payable in installments over a period of years.

SECTION 4. Due Dates of Assessments; Defaults.

The due date of the annual assessments shall be February 1 in each year. The due date of any special assessment or installment thereof shall be fixed in the resolution of the Members authorizing such assessment, and prior written notice of such special assessment or installment thereof shall be given to each Owner.

The Association may file in the office of the County Recorder a Certificate of Lien and/or a Notice of Lien to evidence any delinquent assessment or installment, but the Association shall not be under any duty to file such Lien and its failure or omission to do so shall not in any way impair or affect the Association's lien and other rights in and against the property and against the Owner of such property.

SECTION 5. Statement of Unpaid Assessments of Charges.

Any prospective grantee or mortgagee of a fee or undivided fee interest in a Lot or Living Unit may rely upon a written statement from the President, Vice President or Treasurer of the Association setting forth the amount of unpaid assessments of charges with respect to such fee or undivided fee interest. In the case of a sale of any such interest, no grantee shall be liable for, nor shall the interest purchased be subject to a lien for, any

unpaid assessments which became due prior to the date of such statement and which are not set forth in such statement; nor shall the membership privileges of such grantee (or his household or guests) be suspended by reason of any such unpaid assessment. In the case of the creation of any mortgage, any lien of the Association for unpaid assessments which became due prior to the date of such statement and which are not set forth in such statement shall be subordinate to such mortgage.
